

Columnist

(Volunteer Position)

About the role:

The Sustainable Act is seeking passionate and dedicated writers to join our team as columnists. This role offers a unique opportunity to contribute to our mission of amplifying diverse voices and fostering meaningful conversations around sustainability. As a columnist, you'll have the opportunity to write long-form content, conduct research, and highlight impactful sustainability initiatives, with a particular focus on BIPOC-led, youth-led, and queer-led efforts.

Location: Remote

Job type: Volunteer, Freelance

Roles and Responsibilities:

Content Creation	Write and publish long-form articles and blog posts on sustainability-related topics. We welcome a wide range of subjects and encourage you to explore areas you are passionate about or that align with current sustainability discussions.
Storytelling and Advocacy	Highlight and promote sustainability initiatives, leaders, and organizations, particularly those led by BIPOC and youth. Use your writing to shine a spotlight on important work and contribute to a broader conversation about sustainability.
Research and Analysis	Conduct research to support your content with accurate and relevant information. Provide well-informed analysis and insights that enhance the quality and impact of your articles.
Creative Freedom	Bring your unique voice and ideas to The Sustainable Act. We are open to various topics and subjects, allowing you to explore and present content that reflects your interests and expertise.

Collaboration	Work with The Sustainable Act team to ensure your content aligns with our mission and editorial vision. Be open to feedback and collaborate on themes and topics that support our goals.
Flexible Contribution	Enjoy the flexibility to write and publish content on your own schedule. There are no limits to the number of articles or blogs you can contribute.

This role is an excellent opportunity for passionate writers and creatives to make a meaningful impact in the field of sustainability. As a columnist for The Sustainable Act, you will have the chance to share your insights, highlight significant work, and contribute to our mission of inspiring action and driving positive change.

Benefits and Perks:

- **Impact:** Your work will play a crucial role in advancing the conversation on sustainability, with a focus on amplifying marginalized voices.
- **Flexibility:** Enjoy the freedom to work remotely and contribute at your own pace.
- **Recognition:** All content will be credited across our platforms, providing valuable exposure and the opportunity to enhance your portfolio or resume.
- **Community:** Be part of a growing movement that leverages media to combat climate change and inspire global action.
- **Audience Reach:** Access our engaged audience through over 3,000 podcast downloads, 2,000+ social media followers, and 500+ monthly website visitors. Connect with a global audience including individuals from Canada, the USA, the UK, and more.
- **Professional Development:** Develop your writing and research skills while contributing to a prominent platform. Build your portfolio with impactful content that highlights your expertise and commitment to sustainability.
- **Creative Freedom:** Explore a wide range of topics and subjects related to sustainability. Feel empowered to share your thoughts and ideas, contributing to diverse and dynamic content.

- **Global Networking:** Engage with a network of sustainability professionals, leaders, and organizations. Gain exposure to various initiatives and expand your connections within the global sustainability community.
